

Walking School Bus: Information from Contact People for Use in Follow on Survey

Christchurch City Council, Pinnacle Research and BRC are working together to develop guidelines for establishing walking school bus networks. These guidelines will be available to any school in New Zealand. In addition, we are trying to assess what impact starting up walking school bus networks has on the environment and community. In order to achieve these goals, we would like to ask each family involved in the walking school bus network in your school to complete a questionnaire.

We need your help to do this! Could you please take the time to provide us with the following information about the route you are contact person for and post it in the pre-stamped envelope provided by xx November 2000. Thank you in advance for your assistance with this task!
